Society Nominated \_\_\_\_\_

The Outstanding Society award was started to recognize societies, which have gone out of their way over the past year to promote engineering leadership to their members and fellow societies. The Engineering Council Executive Board and Awards Selection Committee will choose the recipient of the Outstanding Society Award. The recipient of this award will receive a monetary endowment accompanied by a plaque to be presented at the Knights of St. Patrick ball. **All nominations must be returned by 5 p.m. on Wednesday, February 27<sup>th</sup>.** All information and events must be relevant to the Fall 2007/Spring 2008 academic year.

Please attach the following information to this form:

1. Why are you nominating this society?
2. Estimate the membership of the society over the past year.
3. Estimate the overall participation rate of the membership of the society.
4. List no less than two and no more than five events or activities that this society has participated in within the past year. Include as many relevant details as possible.
5. State, in an essay of no more than 500 words, how this society has made a positive impact on the engineering campus as a whole.
6. Please include any additional information that may be relevant in the selection of this award.

**Please return the typed nomination including this sheet to 103C Engineering Hall, care of Kevin Spitz.**
